goldboss What if you can't find him? Will you have to watch him die?I can also fix a broken story for you. If you have requested it, I can also fix a broken story for you. If you have requested it, I can also fix a broken story for you. Posted by Guillermo "GuileMP" Velasco April 6, 2020, as reported by Steam Client List Are you sure you can't find him? What will you do if you can't find him? Can you just watch him die? If so, it means you must be a true hero who will never betray that good man, who has helped you in many, many ways. But even if you were to save that soul that desperately needs saving, are you sure that you can? Maybe you can only watch him die? Or maybe you should leave the hero's journey to someone else?
