**Boardmaker Software Family
Version 6 Sample Boards**

The image displays a grid of sample boards for Boardmaker software. At the top, a red starburst contains the text "Boardmaker Software Family Version 6 Sample Boards". Below this, there are two rows of sample boards, each with an icon and a label. The first row includes: Communication & Participation (two faces), Language (abc), Literacy (person reading), Timetables & Sequences (vertical list), Behavioural Supports (grid with checkmarks and stars), and Functional Skills (people working). The second row includes: Social Studies (globe and faces), Science (microscope and flask), Math (math equations), The Arts (art supplies), Feature Index (yellow star), and Templates (calculator and keyboard). The "Science" board is highlighted with a red border.
